FINE WRITING COLLECTION

FINE WRITING COLLECTION

Established in the United States in 1972, Pilot Corporation of America is recognized as a premier manufacturer of quality writing instruments. The parent company, Pilot Corporation, is the oldest and largest writing instrument manufacturer in Asia. It is headquartered in Tokyo, Japan, where it was founded in 1918. Pilot's growth has been driven by the consistent development of highly innovative products with unsurpassed quality and an exceptional writing experience.

Pilot's Fine Writing Collection has been created in a culture that has revered the art of writing for over a thousand years. These exceptional writing instruments embody the essence of art, design, and quality craftsmanship. With unrivaled levels of beauty and creativity, Pilot Fine Writing instruments have secured their place as the preferred choice among pen enthusiasts and collectors.

Pilot's spirit of innovation has always focused on serving consumers' unmet writing needs, making writing a pleasure with exceptionally designed, smooth writing pens. In a digital age where we have gained immediacy but lost intimacy, Pilot's Fine Writing Collection helps you express yourself effortlessly and beautifully through the power of the written word.

GIVE THE GIFT OF PILOT FINE WRITING

Many Pilot Fine Writing instruments arrive packaged in an elegant keepsake gift box, which makes these exceptional pens the perfect gift for respected colleagues, treasured friends and loved ones. Known for quality that lasts and superior writing performance, you can feel confident selecting Pilot Fine Writing instruments for all your gift giving needs.

STERLING COLLECTION

Hand-wrought sterling silver enhanced with beautifully etched traditional Japanese designs lend elegance and grace to the Sterling Collection. kaküno

Kaküno is a delightful new fountain pen that is ideal for both first-time fountain pen users and experienced writers. "Kaküno" means "to write" in Japanese, and that's just what this pen helps users to do by featuring an appealing smiley face on the nib, reminding users to orient the nib correctly. The white barrel pens feature the fine nib (with a winking smiley face), the gray barrel options feature the medium nib (with a traditional smiley face), and the clear barrel option features the extra fine, fine and medium nib (with a tongue sticking out). The cap and comfortable barrel are designed to not roll away when put down. Novices will soon become seasoned fountain pen users, and seasoned users will enjoy the fun, exuberant writing the Kaküno fountain pen delivers.

Parallel Pen[®]

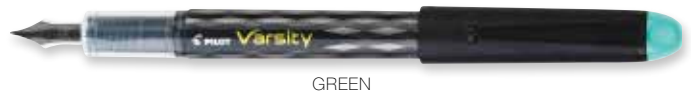

Calligraphy Pen

Capture the art and charm of beautiful handwriting with a very cherished and unique form of expression—calligraphy. A major breakthrough in calligraphy pen design, Pilot's Parallel Pens feature a nib that allows the experienced or novice writer to produce crisp, smooth flowing lines. By holding two different colored Parallel Pen nibs together for a few seconds, users can then write with a stunning blend of the two ink colors, creating remarkable color effects. Each set comes with a Parallel Pen, one black and one red ink cartridge, a pipette to properly flush the pen, nib cleaner and a use & care guide. Parallel Pens are available in four nib widths, each packaged separately: 1.5mm, 2.4mm, 3.8mm and 6.0mm.

Varsity[®]

Enjoy a classic writing experience with this simple-to-use, pre-filled fountain pen. Each pen features a modern barrel design with a medium size stainless steel fountain pen nib. Varsity also features an advanced liquid ink system for smooth writing and a visible ink supply so you'll never be caught off guard.

iro shizuku

【色彩雫】

The name "Iroshizuku" is a combination of the Japanese words "Iro (coloring)," expressing high standards and variation of colors, and "Shizuku (droplet)," that embodies the very image of dripping water. Each ink name derives from the expressions of beautiful Japanese natural landscapes and plants, all of which contribute to the depth of each individual hue.
